

Our Ref.: KKM 87/A9/7/34 Jld 4(55)
 Date : 29 April 2022

URGENT CODE NEEDED FOR BREAST AND ENDOCRINE PROCEDURE

With kind reference to the above matter regarding unavailability of the professional fee for the procedure Intraoperative Radiotherapy (IORT) in the 13th Schedule and Malaysia Medical Association (MMA) Medical Procedures and Services Nomenclature and Schedule of Relative Values (MPSN) 5th Edition 2.0 for the purpose of reimbursement.

2. Based on our discussion with Breast and Endocrine Society and appropriate benchmark, we would like to make the following recommendation:

PROCEDURE	RECOMMENDED MAXIMUM CHARGEABLE FEE FOR SURGEON	RECOMMENDED MAXIMUM CHARGEABLE FEE FOR ANAESTHETIST
Wide local excision with preparation of surgical cavity for Intraoperative Radiotherapy (IORT) with volume displacement, mobilisation of tissue / parenchymal flap, ultrasound assessment, closure and intraoperative radiotherapy	RM2895	RM 1815

We hope the above clarification has answered your query.

Thank you.
